PATINA OSAKA Launches Second Collaboration Collection with VERDY

— A Limited Lifestyle Collection Where Osaka-Born Cultures Converge —

Osaka, 27 January 2026 – Patina Osaka will launch the second collaboration collection with internationally acclaimed artist VERDY. The limited items will be available from Friday, 31 January 2026, exclusively at the hotel's ground-floor retail shop.

Building on the mutual trust and creative dialogue cultivated through previous collaborations, this long-awaited new collection once again brings together the distinctive world of PATINA OSAKA with VERDY's unique artistic expression.

About the Collection

This collection features **three lifestyle items**—a sweat crew, a sweat hoodie, and socks—each reflecting the shared sensibilities of PATINA OSAKA and VERDY. Inspired by the hotel's architectural beauty, atmospheric presence, and the vibrant energy of Osaka, the designs are rendered through VERDY's signature playful yet refined graphic language. The result is a lifestyle collection that translates the spirit of the hotel seamlessly into everyday style.

Continuing from the first collection, the illustrations are rooted in three core elements: the **PATINA logo**, the brand's symbolic **butterfly**, and **VERDY's iconic character, Vick**. Through VERDY's natural and instinctive approach, these motifs are reimagined in a world where street culture and luxury quietly intersect, forming the defining visual identity of this collection.

VERDY comments on the collaboration:

"After staying at Patina Osaka following its opening last year, I started imagining items that I personally wished were available at the hotel—and turned those ideas into reality.
From sweat pieces designed to be worn while relaxing at the hotel, to socks created in collaboration with WHIMSY, a brand I've long been close with, I truly enjoyed the entire design process. I hope everyone looks forward to the launch."

Triple-Collaboration Socks Where Three Worlds Intersect

Among the three items, the socks stand out as a **triple collaboration** with Osaka-based sock brand **WHIMSY**.

Founded in Osaka in 2015, WHIMSY began as a skate-focused sock brand and has gained a loyal following for its comfort, durability, and free-spirited, playful designs. In recent years, WHIMSY has expanded its presence with the opening of a Tokyo store, further strengthening its identity as a brand born in Osaka.

This triple collaboration was made possible through the long-standing relationship between VERDY and WHIMSY. With **VERDY**, **WHIMSY**, and **PATINA OSAKA** sharing common roots in Osaka, the convergence of these three distinct worlds results in a symbolic pair of socks that fuses luxury, street culture, and skate culture into a single expression.
