PATINA OSAKA MARKS 1ST ANNIVERSARY

Celebrating with Transformative Activities throughout the month

Osaka, Japan, 27 April 2026 — On 1 May 2026, Patina Osaka marks its first anniversary—one year shaped by moments gently unfolding, where the pulse of the city meets nature, culture, and human connection. Each encounter leaves a quiet imprint, forming a collection of memories that continue to evolve with time.

As we reach this meaningful milestone, we reflect with gratitude while looking ahead with anticipation. The journey continues—an ever-evolving expression of transformative luxury.

Throughout the anniversary month, a series of curated experiences will unfold, alongside the introduction of new merchandise created in collaboration with VERDY, inviting guests to immerse themselves in the distinctive spirit of Patina.

VERDY x Patina Osaka — 3rd Edition Collection

As part of this ongoing collaboration with VERDY, a limited-edition collection will be released, featuring new T-shirt designs, a snow dome, bandana, key chain, and luggage tag. Each piece is thoughtfully crafted with carefully selected materials, bringing together VERDY's distinctive creative world and Patina's philosophy—where design, intention, and connection come to life. The collection will be available from 11:00 a.m. on Friday, 1 May at the retail shop on the ground floor of Patina Osaka.

Curated Anniversary Experiences

Throughout May, Patina Osaka presents a series of thoughtfully curated experiences across its dining venues.

At Nijiri, the *Morning Matcha Experience* offers a moment of stillness overlooking Osaka Castle. Guests are guided through a tasting of three single-origin matcha varieties, each expressing its own character, before preparing their chosen blend. Paired with seasonal sweets, this ritual invites a gentle awakening—bringing balance to both mind and body.

At Sonata Bar & Lounge, sound and spirit come together through a series of guest bartender evenings on 13 and 26 May. On 13 May, *ZEST* from Seoul—ranked No.2 in Asia's 50 Best Bars 2025 and No.9 in the World's 50 Best Bars 2024—brings its philosophy of zero-waste and Korean minimalism into a refined, sensory cocktail experience. On 26 May, Alexandre Mark of *Bar De Vie*, Paris, presents an evening shaped by seasonality, sustainability, and craft, offering a distinct expression of contemporary mixology.

At IÑAKI, a one-night-only anniversary wine dinner in collaboration with the renowned Spanish winery *Torres* brings together Basque gastronomy, curated wine pairings, and the evocative sound of live Spanish guitar—an immersive journey through flavour, culture, and place.

At P72, a signature anniversary dessert captures the essence of Patina's philosophy. A delicate composition of soy cream and lemon verbena ice cream—infused with herbs grown in the P72 garden—is layered with upcycled orange peel jam and Wakayama amanatsu. Light yet expressive,

the dessert reflects a commitment to both sustainability and sensory depth, leaving a gentle imprint long after the final taste.
