PATINA OSAKA x COOKIEBOY COLLABORATION

A Limited-Time Experience Celebrating Individualities Through Color and Playfulness

Osaka, 1 June 2026 - This June, Patina Osaka partners with icing cookie artist COOKIEBOY to present Uniquely You, a three-day celebration of individuality, creativity, and self-expression taking place from 26 to 28 June 2026. June is globally recognized as Pride Month — a time to reflect on understanding and respect for the diverse ways people live and express themselves. In keeping with that spirit, Patina Osaka has designed this experience to invite guests to celebrate their individuality and personal sensibilities in the most natural, joyful way.

Through COOKIEBOY's one-of-a-kind cookies, no two ever alike, the programme offers guests a moment to embrace diversity and authentic self-expression. During the three-day event, guests can enjoy a range of sensory experiences, including exclusive turndown amenities delivered to rooms with personalised messages, an icing cookie workshop where participants can design their own one-of-a-kind creations, and a limited-time pop-up store showcasing COOKIEBOY's creative worldview.

Uniquely You — The Beauty of Nothing Alike

At Patina Osaka, a stay is not simply time spent, but an experience that moves the heart. Through art, culture, and human connection, the hotel offers moments of quiet resonance — gently attuned to each guest's individual sensibility.

The cookies created by COOKIEBOY are "edible art," — each one distinct in color, shape, and character. Brimming with free-spirited color and playfulness, every piece carries a message of celebrating individual differences and personalities.

Turn Down Amenity: A Personal Gift Waiting in Your Room

ABOUT COOKIEBOY

Having studied textile design as a student, COOKIEBOY began independently exploring the art of icing cookies after gifting handmade cookies to a friend for a special occasion. Combining a refined sense of color cultivated through textile design with a desire to bring smiles through delicious cookies, COOKIEBOY established a unique creative world where cookies become canvases. Through free-spirited ideas and playful creativity, the artist continues to share the charm of “edible art” through collaborations with a wide range of brands and individuals.
